Education Week March 1 to 7

Education is the general and formal word for schooling of whatever sort as gained in an institution of learning. In a broader sense, it means training, discipline, and breeding.

Our first training and discipline is received at home, the for a few years imparted to us at school, and out in the business world learning never ceases. Members of the armed forces have a constant diet of training and discipline. Breeding, reflects that unending knowledge of amenities and courtesies of life. Hence we look on our schools as breeding grounds where deportment, knowledge, and manners are formed.

These three influences of education that we start acquiring at birth, and we are never too old to learn, molds our ability and personality for our chosen vocation.

March 1 to 7 is Canadian Education Week and is indeed worthy of note for all of us. It provides an excellent opportunity to salute with pride the school principals and teachers who are dedicated to developing the intelligence of our children.

Elsewhere in these columns is an interesting article on Education Week contributed by Lieut.-Col. H. Goodfellow, MBE, CD, Official Trustee of the Griesbach School District. A thought provoking article that we recommend for both parents and students.

FIRE CALLS

Alarms answered by the Griesbach Fire Department in the month of January:

1650 hours, 1 Jan. — 138 Ave. and 112 St. (Precautionary).

1131 hours, 2 Jan. — 140 Ave. and 102 St. (False Alarm).

2011 hours, 11 Jan. — 150 Ave. and 107 St. (False Alarm).

1747 hours, 16 Jan. — 150 Ave. and 107 St. (False Alarm).

1310 hours, 21 Jan. — 143 Ave. and 109 St. (Precautionary).

0145 hours, 22 Jan. — 138 Ave. and 115 St. (Mutual Aid).

APPOINTED EDITOR

Widely experienced in the field of radio, newspaper and public relations, Lieut. "Larry" McLeod, RCEME, has been named to the appointment of Editor of the Griesbach Bugle.

Lieut. McLeod, a native of Saint John, N.B., arrived in Edmonton in August, 1962, to assume the appointment of Administrative Officer with Headquarters RCEME

Western Command. Prior to this appointment he was stationed in Halifax, N.S.

His Army career began in 1939 when he joined the Canadian Active Service Force. He served through the ranks in Canada and overseas to July, 1962, when he was granted his commission.

The majority of Lieut. McLeod's after duty time has been spent in various community and civic enterprises. A member of the Halifax Broadcasters' Club, his knowledge in this field was utilized as announcer and Master of Ceremonies on Service and Civilian Radio Stations. Holder of the Governor-General's Medal for rifle shooting in the New Brunswick Rifle Association, Past President of the Nova Scotia Rifle Association and Provincial Vice-President of the Dominion of Canada Rifle Association at Ottawa, bespeaks his ability and interest in this field. Since his arrival here, he has been a member of the executive of the Griesbach Association.

Lieut. McLeod, his wife Lillian and family reside at 14707 - 101A Street, Griesbach Barracks.

Soldiers Showed Resourcefulness

There was nothing spectacular about it.

But we'll wager that everyone felt a little happier with the human race after reading about the four members of the Royal New Brunswick Regiment (North Shore) who helped 20 carloads of stranded motorists during a blizzard.

The members of the Reserve Army unit were driving home to Newcastle after attending a course in Bathurst. They found the 20 cars stranded in two huge snowdrifts that blocked the highway.

Perhaps it was their army training. Maybe it was merely the good instinct and resourcefulness of self-

reliant citizens and good neighbors. At any rate, they knew what to do.

They checked the stranded cars, warning of the danger of monoxide poisoning if motors were run with all windows closed. Then they set out to find shelter and soon everyone was comfortably cared for in a vacant lumber camp they located.

Those thus accommodated until plows and help arrived included 15 children four to 12 years of age.

Well, there's no medal for anything like that.

Maybe there should be.
— Saint John Telegraph-Journal

FAMOUS CANADIAN ARMY BADGES

Royal Canadian Dragoons

A South African animal and landscape commemorating service in the Boer War, 1899 - 1902, are the chief inspirational devices found in the hat badge of the Royal Canadian Dragoons.

The animal is the graceful, swift and agile springbok leaping over the veld (a field of uncultivated grass land).

The RCDs are based at Camp Gagetown, N.B.

PPCLI JUBILEE WIVES CLUB

All PPCLI ladies will be voting on their projects at the next meeting to be held in the P.T. Lounge, Monday, March 2nd, at 8:00 p.m.

It is hoped you will all come and exercise your right to vote, as this is so important.

TRY THIS IN YOUR SPARE TIME

To always know your age and the amount of change that you have in your pocket, multiply your age by 2, add on 5, multiply the result by 50, add on the change that you have in your pocket less than a dollar, subtract the number of days in the year (365) add 115, and in the final answer, the left two figures will be your age, and the right two figures will be the change you have in your pocket.

Letters to the Editor

Sir:

The Army Museum, Halifax Citadel, is seeking articles of a military and historic nature to help record the history of Nova Scotia and its place in the development of Canada.

All types of articles are required, including old uniforms, headgear, weapons, soldiers' equipment, medals and historic pictures and photographs.

This covers all periods including those of World Wars I and II.

The Army Museum, Halifax Citadel, which is a non-profit organization, is the only recognized repository in Nova Scotia for the preservation of old and valuable articles of a military nature. In donating them to this institution, the safe-guarding of these items and their retention for posterity is assured.

Persons who may have such items in their possession are invited to write to the Curator, The Army Museum, c/o Headquarters Eastern Command, Bell Road, Halifax, Nova Scotia.

C. A. Holt.

Curator,
The Army Museum,
Halifax Citadel,
Halifax, Nova Scotia.

EDITORS NOTE:

Capt. C. A. Holt is a former Inspector of Canadian Army Bands at Headquarters Eastern Command and on retirement was appointed Curator of the Army Museum in 1963. He has recently reorganized a Militia Band in Halifax which is one of the top bands in the region.

The Library Corner

It can finally be announced that the long-promised new books are beginning to arrive in the library. About 170 were placed on the shelves during February and nearly as many more will be there shortly. It can also be reported that the first of a large order of new children's books is beginning to trickle in; it will be a little while before they are ready for distribution however.

Apologies are extended to those members who received overdue notices in error; it may happen again, because it is not possible to develop a foolproof system — even the Edmonton Public Library, using electric Recordak equipment, encounters the same problems. Fortunately most errors are obvious as soon as a membership card is examined by the Librarian and the slight inconvenience caused must surely be offset by the otherwise fine library service being offered. If you have criticisms, let it be constructive.

The Bookworm

Named Camp Commandant

Major R. M. G. Groves, CD, of Saint John, N.B., has been posted to Headquarters Western Command on return from the Congo and appointed Camp Commandant.

An officer of the Royal Canadian Army Service Corps, Major Groves held the appointment of Deputy Command Supplies and Transport Officer at Headquarters Western Command prior to his posting to Congo.

Enlisting in Saint John in 1939, Major Groves went overseas in 1942 and served in England, Italy and North West Europe. Since the Second World War he has held senior Service Corps appointments in the Northwest Highway System, Ottawa and London, Ontario.

Major Groves and his family reside at 10429 - 132nd Avenue, Edmonton.

Church Dignitary To Tour Province

Edmonton — Bishop N. J. Gallagher, Roman Catholic Auxiliary Bishop to the Armed Forces, will visit military installations in Alberta and the Yukon Territory from March 8 to 17.

The Bishop will arrive in Calgary, March 8, and travel to Edmonton March 10. He will be accompanied on his tour by Lieut.-Col. J. F. Leduc, Command Chaplain (Roman Catholic) for Western Army Command.

After a meeting with Maj.-Gen. J. M. Rockingham, General Officer Commanding Western Command, Bishop Gallagher flies to Whitehorse, Y.T., returning to Edmonton March 12.

While in Edmonton, the Bishop will celebrate Mass and officiate at Confirmation Services in the Griesbach Barracks Chapel, Sunday, March 15.

Bishop Gallagher, a former RCAF Chaplain, is Auxiliary to Archbishop Roy, the Military Vicar to the Armed Forces. He was appointed Bishop Sep. 13, 1963.

LADY PATRICIA TO VISIT

The Lady Patricia Ramsay, Colonel-in-Chief of the Princess Patricia's Canadian Light Infantry, will visit both battalions of the regiment later this year as part of its 50th anniversary celebrations. She will be accompanied by her husband, Admiral Sir Alexander Ramsay and Mrs. Dorothy Gault, widow of the founder of the regiment, A. Hamilton Gault.

Lady Patricia will attend trooping the color ceremonies by 1st Battalion of the Patricias in West Germany on August 9 and 10. She will attend another trooping ceremony by the 2nd Battalion in Edmonton on September 19.

The PPCLI has been part of Canada's Regular Army since its founding in August, 1914, at the outbreak of the First World War.

In making the announcement, the anniversary committee of the regiment requested all former Patricias to write to the committee at Hamilton Gault Barracks, Edmonton, to receive detailed information concerning various events planned.

RCAF Units Win National Fire Awards

Four RCAF units in Western Canada won awards in fire safety and education performance during 1963 in competition with others in the military division of the National Fire Protection Association's annual contest.

RCAF Station Yorkton, a radar unit, won a first-place shield competing against the small units of the Air Force. RCAF Station Dawson Creek placed third in the same classification. The National Defence Medical Centre, Ottawa, placed second.

RCAF Station Namao was third in the large station group while RCAF Station Winnipeg received honourable mention. The Air Force's largest station, Greenwood, N.S., won the Department of National Defence grand award and first-place among the large stations for its year-round fire prevention and training programs.

NAMED DEPUTY MA

Colonel Thomas F. Slater, CD, 45, of Hamilton, Ont., commandant of No. 26 Central Ordnance Depot, Cobourg, Ont., will go to Viet Nam in June as deputy military adviser with the military component of the Canadian delegation. He will replace Col. Harry H. A. Parker, OBE, CD, 48, of Toronto, who is to be director of survival operations and plans at Army Headquarters, Ottawa, on his return to Canada.

TO INDO CHINA

EDMONTON — Major M. C. Buckwell, CD, of Fort Macleod, will leave Canada this month to serve with the military component of the Canadian delegation in Vietnam.

An officer of the Royal Canadian Artillery, Maj. Buckwell has been an advisor to the Edmonton Militia since 1961.

Anyone For A Ride

A pilotless reconnaissance aircraft being developed for the Canadian and British Armies, is currently being prepared for flight tests in Yuma, Ariz.

The aircraft, or drone, known as the CL89, will gather intelligence on the battlefield. It will complement present reconnaissance aircraft by its ability to present its information more rapidly, and to operate under conditions where manned flight is hazardous or impossible.

The program of design, development, testing and evaluation is being carried out by the Department of Defence Production and Canadair Ltd. of Cartierville, Que., in co-operation with the British government. The Canadian Army is providing technical advice and assistance.

The CL89 project is the result of a common need for a low-cost drone for the Canadian and British armies and the government's attempts to co-operate and thus reduce costs. It is the first project in which the two countries have co-operated so extensively.

Canadair originated the development of the CL89 in 1959, and the company has continued to work with the government in their work over the past two and a half years.

Canadian Army soldiers and Canadair Staff are involved in the current trials at Yuma, where the U.S. Army has assisted by providing range facilities at its proving ground.

An Audience with Queen Daphne

Daphne Milson, daughter of S/Sgt. and Mrs. K. Milson of Griesbach, ascended the throne at No. 1 School on Friday evening of February 14th, to rule her seething three hundred writhing teen subjects at the annual Valentine Dance sponsored by the Griesbach Senior Youth Group.

Her first audience, pictured above, was granted to Brigadier G. C. Leech, OBE, CD, Commander Alberta Area, during which he presented her with homage from local merchants in the form of a bouquet of roses, an LP recording and a certificate for a trip to the hair dresser.

Emblematic of the success of her reign, this was the most successful function yet held by the local group. Part of the credit for this success is granted by the Group to the music provided by the CJCA Pharaohs.

Name d Commander Camp Gagetown

Lieut.-Col. Charles D. Simpson, CD, of Regina, will be promoted to Colonel and appointed Commander, Camp Gagetown, N.B., in April.

He is at present assistant director of ordnance services, Canadian Base Units Europe, in Germany.

GYPA TEEN CENTRE

At last the GYPA Teen Centre is nearing completion. At the time of going to press, it is not possible to give a definite opening date, but it now seems probable that it will be open in early March.

Both before and after the opening, there will be a need for volunteer teenage labour for various jobs in the building. The Committee for the Teen Centre will be organizing the volunteer labor, and hope that many teenagers will be able to lend a hand.

The members of this Committee are:

Chairman: Jim Hamilton
Secretary: Kerry O'Connell
Treasurer: Jim Leech
Clean Up Member: Rick Brown
Other Members: Roberta Collins
Jack Hamilton

Admission to the Teen Centre will be by membership card. Jim Leech, Treasurer of this Committee, will be in charge of selling tickets. Membership for the teenage dependents of members of the Griesbach Community Association will cost \$1.00 annually.

and for the dependents of non-members of the Griesbach Community Association living in Griesbach will cost \$4.00 annually. The monies collected from membership dues will be kept separately from other GYPA funds, and will be used to improve the facilities in the Teen Centre. Membership Cards are not yet available, but should be ready before the opening of the Teen Centre.

It is hoped that, when the Centre is open, as many parents of members as possible will visit it. Incidentally, there is always a need for parents who are prepared to chaperone teenage dances in the Camp. Any who are willing to undertake this task should give their names to Carol Anne Wray, the GYPA Social Convener, phone GR 7-8837.

This is an advance notice that the Teen Centre is nearing completion. Further details will be published when the opening date is known, and when the hours of operation of the Teen Centre are decided finally.

EDUCATION WEEK

Lieut.-Col. H. Goodfellow, MBE, CD, Official Trustee,
Griesbach School

"Seventy per cent of the work force is competing for thirty per cent of available jobs because their education background and training does not qualify them for the seventy per cent of the jobs available".

Times Herald — Moose Jaw — 25 April, 1963.

Never before have the dynamic forces of change worked with such incredible speed. Man is advancing so rapidly in knowledge and technology that new developments confront us before old ones are fully understood. As an illustration; it has been estimated that if we plot the accumulation of knowledge on an historical continuum, beginning with the birth of Christ, the first doubling of knowledge occurs in 1750; the second in 1900; the third, only fifty years later, in 1950 and the fourth only ten years after the third in 1960.

What are the sorry facts in Canada? Thirty-five per cent of all pupils quit school with a Grade VIII education or less; another thirty five per cent leave before junior matriculation; one-fifth of all pupils who start school achieve senior matriculation; nine per cent who start school enter university and six percent obtain a degree.

Today it is unfortunate to realize that so many students who have the necessary skills and opportunities, fail to attain the academic level of which they are capable. The student who drops out of school or who attends school and does not make the best use of his ability, is not only putting his parents and society to a great deal of unnecessary expense, but worse by far, he is condemning himself to a non-professional, low-paying career. As a matter of fact it has been calculated that by 1975 unskilled and semi-skilled work will account for only 12% of all jobs — so the 'underachiever' is really condemning himself to a future of unemployment.

Many youngsters are sent to school to be educated, and the parents feel that their responsibility ends here. The Province goes so far as to compel the parents to send their children to school. However, it is still the parent's responsibility to mould and instill in the child the desire to progress. Senator Donald Cameron stated in his Royal Commission on Education in Alberta ".... the public expects many things of its schools — perhaps too many. Student's attitudes toward study, work and life reflect parent's attitudes. The parents should enforce a fourth R (responsibility) to be added to the well-known three R's which are already accepted. The school can and must reinforce society's values; but the school cannot and must not set these values...."

The Star Weekly of February 8, 1964, carried an excellent report on the need for education which the editor summed up in one paragraph and is worth committing to memory ".... the alternative to staying in school until graduation is a lifetime of limited job opportunities, low pay, unemployment, insecurity and, worst of all, the realization — too late — that it all could have been much different...." These things are worth thinking about — right now.

The Griesbach Sergeants' Mess Ladies' Club meets the 4th Wednesday every month at 8:30 p.m. Wives of all mess members welcome.

Maritimers Rally

The Maritime Provinces Association of Edmonton is celebrating its thirty-fourth birthday next month when the annual banquet and dance will be held at the MacDonald Hotel. The Association consists of former residents of the Maritime Provinces now living in the Edmonton region, and membership during the past several years has included many servicemen and dependents stationed in the Edmonton Area and at Griesbach and Namao.

Any "Maritimer" interested in joining the Association may receive further information by phoning Lt. L. McLeod, 479-5305.

Lt. McLeod was recently elected vice-president for New Brunswick.

TOP MARKS

Canadian Army officers took five of the top six places on a course at the U.S. Naval Officers' Civil Engineering School, Port Hueneme, Calif., in January.

The two-week atomic defence engineering course is open only to graduate engineers, and is a prerequisite for U.S. officers involved in structural surveys.

The officers, all members of the Royal Canadian Engineers, are: Captain Murray C. Temple No. 12 Works Company, Regina, first; Capt. A. Lawrence Altwasser, directorate of works, Army H.Q. Ottawa, second; Major H. Richard Bohne, 6 Works Coy., Halifax, fourth; lieutenant Andre A. Costin, 4 Works Coy., Montreal, fifth; and Lt. Robert A. Stewart, Royal Canadian School of Military Engineering, Chilliwack, B.C., sixth.

On completion of the course, Lt. Costin and Lt. Stewart remained at the school for a further course in Structural Dynamics and radiation shielding.

Repeat Cadet

An exchange of 50 Army cadets between Canada and two Commonwealth countries in the Caribbean for five weeks training will take place next July and August.

Thirty members of the 75,000-strong Royal Canadian Army Cadets will go to Jamaica and 30 Jamaican cadets will come to Canada. This will be the third exchange of cadets between Canada and Jamaica.

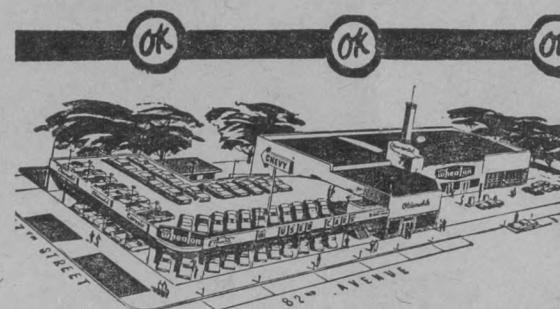

For the first time next summer, there will be an exchange of 20 cadets between Canada and Barbados.

The RCAF will airlift the Canadian, Jamaican and Barbadian cadets.

The exchange of cadets is now expected to become a regular annual training program.

NOTICE

Due to the departure of Capt. F. G. Daniels on retirement, The Griesbach Council are looking for volunteers to supervise the School text-book rental plan. Interested parties should contact a member of the Council.

Griesbach Hockey League Awards Night

It has been decided to hold a hockey awards dinner to present trophies, medals and crests to teams and individual award winners of the Griesbach Hockey League. The dinner will be held at the 2 PPCLI Mens' Mess starting at 7:30 p.m. on the 6th of March.

To defray the cost of this affair it is necessary to charge all those attending the sum of \$1.00. Tickets are available from any coach, referee or official.

The sole purpose of this event is to honor the young hockey players of Griesbach Barracks. In this regard, fathers and mothers of hockey playing boys are specially invited to attend.

It has been a great year for hockey in Griesbach and it is, therefore, hoped that this final event of the season will also be a success. By bringing your son you can make it so.

Tdo 8-enders Scored at Local Club

It took well into the fourth year of operation to happen but the Griesbach Curling Club can finally boast of having eight-enders scored. Not once, but twice in a little over a month did the hole-in-one of curling occur; and, oddly enough, in the same league.

The first occurred on 22 Dec. 63, when Major Battershill and company tossed the big one at the Lucas-Partridge pairs in the Officers' Mixed League.

The second was scored by four of the "weaker" sex in the same league on 9 Feb., 64, with Grandma Lucas at the helm while Grandpa was away bonspieling and son, Bill, was pacing hospital corridors. Jan Dales, Marg Cameron and Doris Partridge each did their one-quarter share

at the expense of the Croston-Gibson duos.

As a result of club play, two Griesbach rinks will represent the Army in Edmonton during the Tri-Service Bonspiel being held at Calgary 28 February - 1 Mar.

The Doug Steele rink with Bud Knight, Tom Southwood, and Don Stevens lost out on the Consols but they vow to do better in the Tri-Service. The other rink to represent the Army in Edmonton is the Sgt. Bob Wells rink with Lt. Dave Seabrook, Cpl. Hank Cunningham and Sgt. Cy McLean of 224 Workshop RCEME.

Leagues schedules are nearly ended and will be followed by bonspiels in each league to wind up a successful season.

2 PPCLI SPORT NEWS

HOCKEY:

Applause and congratulations are due the hockey team who have won first place in the city league. Cpl. R. B. Amiss was the best point getter (total goals and assists), and Cpl. R. S. Turner has done very well in goal. However, the players agree that their success has been due to the all-round team effort. The next hurdle will be the play-offs of the first four teams and the Unit wishes the team the best of luck in taking the championship.

BOXING:

The Western Command Boxing finals were held in Calgary during the week 7-9 February. Members of the 2 PPCLI boxing team won the following championships:

Light Heavy novice, 175 lbs. — Pte. D. G. Strachan

Middleweight — 165 lbs. — L/Cpl. L. E. Cardinal.

Light Middleweight, 156 lbs. — Pte. D. L. Weitzel

Welterweight, open, 147 lbs. — Cpl. H. Reti

Welterweight novice, 147 lbs. — Pte. M. H. Greyeyes

Bantam weight open, 119 lbs. — Pte. R. A. Herrington

All members of the 2 PPCLI team fought well and were a credit to their Unit.

Private Dave Weitzel is congratulated by Brigadier G. C. Leech after winning the Western Command light middleweight title at Sarcee Barracks, Calgary. Pte. Weitzel, a member of the 2 PPCLI boxing team from Edmonton, will be one of the boxers representing Western Command at the Canadian Army Finals in Camp Gagetown, April 6 to 10.

PARTICIPATION IN EDMONTON'S MUK LUK MARDI GRAS

The Edmonton Muk Luk Mardi Gras week-end was held 7-9 February. At the Muk Luk Mardi Gras 2 PPCLI had a display of winter clothing, equipment and weapons. Many compliments were received from the public. This is an excellent opportunity for the Army to make itself known, especially if it gives free rides to the kiddies in Bombadiers and Rats, and has lots of tents in which people can warm themselves.

Another feature of the Mardi

Gras was the Biathlon demonstration which took place on Sunday, February 9th, just prior to the dog team races. Col. R. D. Watson, Command Ordnance Officer, Western Command, described the event and Cpl. Anderson, Cpl. Howard, Pte. Sharpe and Pte. Holopainen, all of 2 PPCLI, were the skiers. With exception of Pte. Sharpe, these skiers took part in the Cross Country ski race the previous day and did well. A large crowd was on hand to witness the event and many compliments were received.

Griesbach Badminton Club

The badminton season is fast coming to a close with the Edmonton City Championship finished, the Provincial play-offs at the end of February, and Spring just about here. As in past years the Club will have two tournaments to finish off before we hang up the racquets.

The Club tournaments are scheduled to be run off as follows: The senior members will have the Men's and Ladies' Singles March 3rd, and on March 10th the Ladies' and Men's Doubles combined with the Mixed Doubles.

The teenagers will hold their tournament of Ladies' and Boys' Singles and Doubles March 11th. Parents are invited to accompany their children and also those who are interested are invited to attend. This tournaments will begin at 6:00 p.m.

In past issues we have discussed various aspects of the game, and in closing, with the tournaments upon us, list hereunder some of the "faults", that are pen-

alties. It is a fault (a) if the service is overhand, that is if the shuttle when struck is higher than the server's waist, (b) if in service the shuttle does not fall into the half court diagonally opposite that from which service is made, (c) if the service falls short of the service line or outside the boundary lines, (d) unless both the server's feet are in his own court; a foot on a line is held to be out of court, (e) if either in service or in play the shuttlecock falls outside the bounds of the court, (f) if the shuttlecock in service or play passes through or under the net, or touches the roof or side walls of the hall, or the person or dress of any player or anything except the bat of the striker or the top of the net, (g) if the shuttle is struck twice successively by the same player, or if it is struck by a player and his partner, (h) if the shuttle is struck before it crosses the striker's side of the net, (i) if the striker touches the net or its support with his racquet or otherwise.

but the rushing waters further up drew our attention to this stream". "This is my first visit to this spot too" he said, as he struck a match to the tobacco.

Curiosity got the best of me because he kept the book set firmly under his arm all the time while so I asked, "Do you read when the fishing is not so good, or what?" "Young man" he said, "reading strains the eyesight." "A worm fisherman needn't worry about eyesight to catch trout, but you understand, as I see you're a fly fisherman too." "Once sometime ago, he went on, I saw a photograph where a man held a book under his casting arm so I tried it. That was just when I was learning to fish with flies and it worked so well I have been carrying one for twenty years." He seemed so serious I couldn't resist saying I had seen the same photograph not being worried about eyesight had read the article. I said "it explained the books was part of an exercise in training to keep the arm close to the boy. This promotes proper use of your wrist and forearm."

"Could be", said the Captain, "but that's not my reason, and I do catch trout frequently." At this point he rose and went on downstream.

The same book was lying on the ice beside his fishing hole last week but I couldn't force myself to ask about it again. Later in the day, however, our youngest son remarked he had looked at the book while we were talking. "I opened it," he said, "and found a tin box inside the hollowed out section." Thinking all sorts of articles could be hidden inside, I asked what he found in it and he replied, "Angleworms".

Square dancing will be held at the RCAF Station Namao Committee Center every Monday evening. The time 8:30 P.M. The caller is Sid Leguire. Come one and all, beginners and old-timers and have an evening of fun.

TOP CITY LEAGUE

This team from the 2nd Battalion, Princess Patricia's Canadian Light Infantry, came out top of the 1964 Edmonton City hockey league. The Patricia's are managed by Capt. A. S. Wagstaff with coach Capt. R. Jardine and assistant coach Sgt. A. White.

Alberta Signal Squadron

During mid-February the wife and our 2 sons were out driving around looking for a relatively smooth skating surface and camp site for wiener roast. Who should we see busily engaged with an ice auger but the President of the Griesbach Fish and Game Association.

It wasn't until we had skated around a few turns near shore where the ice was smoothest that my memory of a summer meeting and conversation with the Captain came back more clearly.

On the summer occasion we had been out on a weekend camp trip and were resting on the bank of

a stream, when the Captain came into view. He was working his way downstream, fishing a short straight line with the appearance and precision often evident in a good wetfly fisherman. As he drew nearer I noticed he held a book under the upper part of his right arm, kept close by the pressure of his elbow. When he saw us he stepped up on the bank and sat down.

"Rather surprised me seeing you on the bank here, because so few people come back in this far," he said, filling his pipe. "We find a new site each weekend" I said, "Usually not this far back,

Church News

OUR LADY OF FATIMA

CHURCH NEWS

On Sunday, February 23rd, a Church Parade was held at the 11 o'clock Mass for Scouts, Guides and Cubs. The Religion and Life Award was presented at this Mass. This award is to be presented at the Chapel annually on the Sunday closest to the birth date of Baden Powell, namely February 22nd. It is an award that must be qualified for each year. The following were presented with this award, either as one earned, or renewed: Patricia Harper, Gloria MacDonal and Brian MacDonal.

Confirmation will take place on

Our Lady of Fatima Catholic Women's Auxiliary

A regular meeting of the C.W.A. was held in the Chaplain's Quarters on Tuesday, February 4th.

The convener of the Marian Centre reported that 18,000 persons were provided with clothing from the Centre during the past year and that 80,500 meals were served in 1963, which was 8,000 more than in 1962. Apparently the Centre is in need of men's clothing. Any contributions will be gladly accepted and appreciated. There is a standing invitation by our Chaplains to drop off any articles at the Chaplain's Quarters, if one is not able to take them to the Marian Centre. For the benefit of newcomers the Marian Centre is located at 10528 - 98th Street.

Father Labrie announced that the Lenten weekday Masses would be at 7:30 a.m. and 4:45 p.m.

The members of the C.W.A. wish to thank all ladies who contributed in any way to the success of the bake sale which was held after each Mass on Sunday, February 16th. The proceeds of this sale will be used to purchase new linens for the Altar and the Communion rail.

Our next meeting will be held in the Chaplain's Quarters on Tuesday, March 3rd. We again invite you to join us.

Sunday, March 15th. The Most Reverend Norman Gallagher, recently appointed Auxiliary Bishop of the Armed Services, will celebrate the 9:00 o'clock Mass, and will then proceed with the Confirmation ceremony. Parents who have children to be confirmed this year should get their Baptismal Certificates as soon as possible.

The Lenten Season is upon us. If you have not thus far made it a time of mortification and penance, you are urged to do so. Lenten Masses are celebrated each weekday at 7:30 a.m. and 4:45 p.m. Among other things, why not select a good Spiritual book for yourself and your children during this Holy Season of Lent?

Holy Week this year commences on March 22nd with the 2nd Sunday of Passiontide. Parishioners are reminded to consult their weekly bulletin on that Sunday for the timetable of Holy Week Services. Easter Sunday is the climax of the holiest week of the year, when the glorious victory of Christ over Satan, life over death, grace over sin becomes a reality in us, rising with Christ to newness of life in grace.

Your Chaplains wish to extend to you, all the blessings of the Easter Season.

St. John's Chapel Women's Auxiliary

The regular meeting of St. John's Chapel W.A. was held at 8:00 P.M., February 11th. Following devotions in the Chapel the ladies proceeded to the Conference room where Mr. Talbot, representing the Hudson's Bay Co., put on a showing of spring materials and gave a talk on the coming season's fashions.

The Women's World Day of Prayers was celebrated on February 14th, at which time we were happy to be joined by a large number of ladies from Namao.

After the service Miss S. Tretiak R. N. gave an interesting talk and showed slides taken while she served with the World Health Organization, in Burma.

On Saturday, 7th March a bean supper will be held at the P.T. lounge, Hamilton Gault Barracks.

Cost 35 cents.

Time 5 p.m. to 7 p.m.

Music by PPCLI Band.

"Every One Welcome."

A sincere invitation is extended to all new, and old residents, in the Griesbach Area to attend the regular meetings of the St. John W. A., held at 8 p.m. on the second and fourth Tuesdays each month, in the Chapel Conference Room.

If you kick the person responsible for most of your trouble, you wouldn't be able to sit down for six months.

Author, Missionary, Padre Retires

SOEST, Germany — Far North missionary and Army chaplain Major Roger P. Buliard, CD, has retired after 17 years service with the Canadian Army and entered a monastery of the Oblate Friars in Paris, France.

Father Buliard has served in most Army camps and headquarters in Canada and with Canadian formations in Korea and Japan. For the past four years he has been a chaplain with the 1st and 2nd Battalions of the Black Watch (Royal Highland Regiment) of Canada in West Germany.

Before becoming an Army chaplain in 1947, after a hunting accident had forced him to give up his work as a missionary in the North he had become a legendary figure among the Eskimos. The 55-year-old padre's book *Inuk* is internationally accepted as an

authoritative work on the life of the northern natives and has been published in many languages.

The literary critic of the London Daily Telegraph wrote, "when Father Buliard decided to become a priest the Church gained a remarkable missionary but the literary world lost an author of the highest standard."

Born in Belfort, France, he entered the Order of the Oblate Friars in 1927 and was ordained a priest in Liege, Belgium, in 1932. His work as a missionary in the Canadian Arctic began in 1934. Four years later he formed the most northern missionary station which he named "Christ the King."

Hard work is usually an accumulation of the easy things you didn't do when you should have.

ISN'T IT FUNNY?

When the other fellow takes a long time to do something, he's slow. But when I take a long time to do something, I'm thorough.

When the other fellow doesn't do it, he's lazy. But when I don't do it, I'm too busy.

When the other fellow goes ahead and does something without being told, he's overstepping his bounds. But when I go ahead and do something without being told, that's initiative.

When the other fellow states his side of a question strongly, he's bull-headed. But when I state my side of a question strongly, I'm being firm.

When the other fellow overlooks a few rules of etiquette, he's rude. But when I skip a few of the rules, I'm original.

When the other fellow does something that pleases his boss, he's polishing brass. But when

I do something that pleases the boss, that's co-operation.

When the other fellow gets ahead, he sure had the lucky breaks. But when I manage to get ahead, man, hard work did that.

Funny, isn't it? Or is it?

I AM COURTESY

I am a little thing with a big meaning;
I help everybody;
I unlock doors, open ears, dispel prejudice;
I create friendship and goodwill;
I inspire respect and admiration;
Everybody loves me;
I bore nobody; I violate no law;
I cost nothing;
Many have praised me; none has condemned me;
I am pleasing to those of high and low degree;
I am useful every moment of the day.

Bugle Monthly Recipes

SUKIYAKI

Serves 6

2 lbs. sirloin steak 1 inch thick	1/4 lb. fresh mushrooms, sliced
1/4 cup cooking oil	10 1/4 oz. can beef bouillon
1 large onion, sliced thin	1/2 cup soy sauce
3 stalks celery, sliced thin, diagonal	1 tbsp. sugar
12 green onions, cut in 3 inch pieces	1/2 lb. washed spinach
Hot cooked rice	
Cut all fat from steak and cut meat in thin slices 1 1/8 inch across the grain.	

Heat oil in large heavy skillet. Add meat brown lightly, then push to one side of pan. Add onion, celery, green onions, mushrooms and cook gently, stirring, 2 minutes.

Combine beef bouillon, soy sauce and sugar, and add to skillet. Add spinach and water chestnuts. Cover and simmer 3 minutes. Serve immediately over hot rice.

BOSTON CREAM or WASHINGTON PIE

(6 Servings)

By special request

Sponge Cake for above:

1/2 cup cake flour	1/4 tsp. lemon extract
3 Med. eggs separated	1/8 cup cold water
1/2 cup sugar	1 tsp. cream of tartar
1/2 tsp. vanilla	1/4 tsp. salt

Sift flour, measure, re-sift 3 times.

Put egg whites into a 4 Qt. bowl.

Put yolks into a 3 Qt. bowl.

Gradually beat in 1/2 the sugar with a rotary beater until so thick beater is difficult to turn, at least 5 mins. With a wooden spoon, beat in flavorings. Now add flour and water alternately in 3 or 4 portions, beating vigorously after each. Now sift cream of tartar and salt over whites, and beat with clean rotary beater until stiff enough to form soft shiny peaks, then add rest of sugar gradually and beat until the shiny meringue forms pointed peaks that curve at tips. Use a rubber scraper to quickly fold yolk mixture into whites lightly but thoroughly. Now fold batter into pan. Bake cake at 325 degrees and on bottom rack for 1 hour or until it springs back when lightly touched with finger.

Remove from oven, invert at once over large funnel or bottle if pan does not stand on tube or side supports. When cool remove from pan.

Method for Boston Cream Pie:

Line bottom of 1 1/2 inch deep 9-inch layer cake pan with heavy waxed paper — grease paper and sides of pan. Follow above sponge cake recipe and bake in moderately hot oven (425° F.) about 12 mins. or until cake springs back when lightly touched. Cool in pan on cake rack 5 mins., then turn out on rack, strip off paper and invert to finish cooling. Split cake to make 2 uniform layers. Spread cream filling, following, between layers. Sprinkle icing sugar over top, or spread with thin butter icing. Serve the day the cake is baked.

CREAM FILLING

1 tbsp. flour	1 3/4 cups milk
1 1/2 tbsp. corn starch	1 egg, slightly beaten
1/2 tsp. salt	2 tbsp. butter
1/2 cup sugar	1 tsp. vanilla

Mix dry ingredients in top of double boiler, add milk gradually and stir to blend, then heat to boiling over direct medium heat, stirring constantly. Now stir some of the hot mixture into egg and return to double boiler, beating thoroughly. Cover and place over hot water and cook 15 mins., stirring frequently. Remove from heat and stir in butter and vanilla. Cool before spreading. This is enough to spread between and over top of two 8-inch layers.

THIN BUTTER ICING

2 tbsp. butter	1 1/2 tbsp. milk
1 cup icing sugar, sifted and firmly packed	1/2 tsp. vanilla

Melt butter in bowl over hot water, then add sugar and milk alternately, a little at a time, stirring until smooth after each addition. Stir in vanilla, when smooth, pour over cake and let stand until set before cutting. Enough for one 8-inch layer.

Coin Club?

How many coin collectors do we have in Griesbach? Are you interested in the formation of a Coin Club? This year a commemorative silver dollar is being issued by the Royal Canadian Mint in Ottawa and production has been underway since last fall. This is the first time that the Mint has had coins on sale at the first of the year.

Most popular with numismatists (coin collectors) are mint sets, which consist of a proof-like, uncirculated coin of each denomination i. e. one dollar, 59 cents, 25 cents, 10 cents, five cents and one cent. Proof or gold coins are not struck in Canada. Mint sets sell for \$3.00 each. Silver proof-like uncirculated dollars sell for \$1.25. Orders are accepted each year from Jan. 1st to Oct. 31st. Quantities are limited to 50 sets and/or 50 silver dollars per person. Orders will be accepted for one, two, five, 10, 25 or 50 sets, and two, or multiples of 10 silver dollars.

Last year the Mint sold more than 400,000 mint sets to collectors and dealers in Canada. The silver dollar this year commemorates the centennial of the Charlottetown and Quebec Confederation Conferences held in 1864.

The value of a coin is determined by the supply, demand, and

condition. Age alone does not necessarily make the coin valuable. A current price guide lists a Canadian 1947 half-dollar from \$1.00 for very good condition (V.G.) to \$50.00 for uncirculated condition (UNC). If it has the downward stroke of the "7" curved to the right and a tiny maple leaf after the date, the price is \$200.00 for V.G. to \$650.00 for UNC. You could get \$600.00 to \$3,000.00 for a Canadian 1921 silver 5c piece, but only \$2.00 to \$40.00 for the same coin with 1880 date.

Usually coins are not worth very much unless the coin is in new condition, uncirculated with original luster, or slightly circulated with very little evidence of wear. Incidentally, never clean or polish a coin that darkened with age and oxidation. Cleaning does not increase the value and may even lower it.

Coin collecting can be an interesting and lucrative hobby, whether it be Foreign coins, Mint collections, Canadian collections, paper money, coins of Great Britain or War Medals.

If you have any questions about Canadian coinage, or if you are interested in the formation of a Griesbach Coin Club, write to the Coin Editor, Griesbach Bugle, HQ Western Command, Edmonton.

Now, how about checking that

change you have hoarded away. Who knows, it may be worthy your while.

17 Rod News Briefs

Departure

Three highly esteemed employees made their exit past 17 ROD's front gates for the last time during the past month. Mr. Thomas Conway left to accept a position of principal clerk and assistant agent with the Department of Citizenship and Immigration, Indian Affairs Branch at Hobbema. Mr. R. L. Maynard presented Tom with his farewell gift and paid tribute to his work in the depot. During the presentation, props which included a camp fire, feathered headdress, tomahawk and peace pipe added color to the affair.

Mrs. Joan Oakes has retired from the business world to resume "household duties." Capt. D. D. Quiring extended farewells on behalf of the depot. Joan pioneered the machine record setup and has experienced many changes in accounting procedures over the years.

The third member of the trio to leave was Miss Pat Ursulak of the Area Controls Group. Pat was often called upon to assist in an inspection being done in the Area and always provided that feminine touch which seems to affect the male sex in some peculiar manner, without causing a deterrent. Units soon became accustomed to seeing the pert little

typist and will soon notice that she is no longer around.

Mr. C. L. Watson presented Pat with a parting gift on St. Valentine's Day. It was appropriate that her departure happened on that day as she was certainly a favorite target for Valentines.

Pat, who hails from Vegreville, commences work as a receptionist with the Department of Public Works shortly, and she wants her friends to know that she will be glad to "receive" them if they happen to be down that way.

Sports

A team from 17 ROD advanced to the Alberta Area Curling Championship playdowns held in Calgary on the 20 - 22 of February, and is one of two teams representing Griesbach Barracks. Ssgt. Jimmy Grimstead had his crew of Ssgt John Yaschuk (3rd), Sgt. Bob Bunning (2nd) and Sgt. Bernie MacLellan (lead) sliding the rocks with authority, to come through with this important victory. Good luck, gang!

The 17 ROD 2nd Annual Bonspiel will get under way on 29th of February. Teams are already champing at the bit to cop the Hunt Transport Ltd. Trophy won last year by Cliff Snider and his merry men.

Courses

A Supervisor Training Course was conducted by Mr. R. L. Maynard during the past month for all

WOs, Senior NCOs and civilians with equal status.

Major S. R. Wyman attended an Automatic Data Processing and Systems Analysis Course at the RCOC School, Montreal.

Sgt. E. A. Ryall, RCOC, of the PPCLI Depot and Cpl. G. O'Learie, 17 ROD, are attending a course covering Methods and Standards Technicians.

Ptes. A. P. Beaupre, J. P. Imbery and R. E. Patterson took part in the recent Junior Leaders Course at 2 PPCLI, and were recommended to attend the Junior NCO School.

Pte. G. B. Faulke is attending a Storeman Gp. 3 Course at the RCOC School.

Mr. L. Selland and Mr. D. G. Gillespie completed the Alberta Civil Defence Radiological Defence (Agricultural Officers) Course, No. 220 at the Alberta Civil Defence School February 3 - 7.

Miscellaneous

The CO is busy these days ironing out the wrinkles in the planned amalgamation of the static administrative services for Alberta Area.

Mrs. Lind of the Work Measurement Section has recovered from a bout of sickness and is at her desk once more.

New Arrivals

WO 2 (QMS) L. A. Goetz has been posted to the depot from the Middle East vice WO 2 (QMS) John Budge who left for sand dune country in January.

PAY PARADE

Like the ever shifting sand RCAPC personnel are always on the move. Some of the more recent postings or temporary attachments are as follows:

Capt. E. G. Pescod recently returned from the Congo and is now A.O. of HQ Western Command Pay Office.

Capt. A. F. Nelson from Peterborough, Ont. has taken over the duties of Command Accounts Officer.

Capt. H. A. Lucas is on Rehab leave pending his retirement from the Canadian Army. Capt. Lucas joined the South Alberta Regiment in Jun. 1940, transferred to the RCAPC in Aug. 1941 and obtained his commission in Mar. 1953. Harold has taken over the management of the Griesbach Curling Rink and from all reports is doing an excellent job. Good luck to you and yours in civilian life Harold.

Sgt. Jim Copeland has been attached to the Militia Pay Section on transfer from 2 Bn. PPCLI Accounts Office.

A/Sgt. D. C. Dreger has been newly promoted on transfer from QOR of C. Depot Accounts Office to 2 Bn. PPCLI Accounts Office. Congratulations on your promotion Dell.

Sgt. O. G. Bateman has been on temporary loan to 2 Bn. PPCLI from the Asst. Area Pay Office in Calgary. Owen has effectively performed the duties of bookkeeper for the Battalion pending the arrival of A/Sgt. D. C. Dreger and will be returning to Calgary shortly.

After nine years in the Area Pay Office, Alberta Area Sgt. R. E. (Bob) Bingham is now retiring from the Canadian Army. Sgt. Bingham joined The Calgary

Highlanders on Sept. 9, 1939, and saw service in England, France, Belgium and Holland. Bob was released from the CA(A) on Demobilization in Mar. 46 and reenlisted in the CA(R) again in Jan. 1949. We are sorry to see you leave Bing, however, we all wish you and your family the best in civilian life.

We welcome two new members to the ranks of the RCAPC, Capt. D. A. Coddington, on transfer from QOR of C., and Capt. J. W. VanHorne, who also transferred from QOR of C. Both Capt. Coddington and Capt. VanHorne are presently on course at the RCASC Training Wing, Vimy Barracks, Kingston, Ont.

"50 YEARS OF FASHION"

On the evening of March 4th, it is hoped many ladies will attend the fashion show the "PPCLI Jubilee Wives" club are presenting.

The Hudson's Boy Co. are supplying the high fashions and professional models for this occasion, and the past fashions will be modelled by teenagers whose fathers are serving members of the PPCLI.

It will be held in the No. 1 School Auditorium at 8:00 P.M., and we would appreciate you arriving a little early so that you could see our foyer display.

Whilst searching for information regarding the history of the regiment and fashions since 1914, it was a delight to read of Lady Patricia's popularity where-ever she has been and of her close alliance

NUTS AND BOLTS

The 3rd Annual RCEME Bonspiel held in Calgary, Alberta, on 14, 15 and 16 Feb., was a howling success. Thirty-two rinks were represented from Calgary, Edmonton and Wainwright. Six out of eight Edmonton rinks captured prizes in four events. Congratulations go out to the winners, and a special tribute to the Edmonton girls who outclassed the men curlers. Had the girls had more "rest" they would likely have captured the "A" event trophy.

After the first few games of serious curling, the Bonspiel became more hilarious, and "hic" less serious. As a matter of fact a certain dignified curling enthusiast met the ice face to face and is now walking around with a souvenir on his right eye. A word to the losers: "Well played and better luck next year."

To Major K. R. Joslin, who assumes the office of CO 13 Company RCEME, we extend a hearty welcome to you and your family to Edmonton. 224 Workshop welcomes back their OC Capt. G.

Charles who has just completed an Officers Intermediate Management Course at Kingston, Ontario. A welcome is extended to S/Sgt. R. N. Robinson, who came from the Workshop in Wainwright. Of course he took the long route here to Edmonton via the U.S. Army Sigs School in Fort Gordon, Georgia. He not only brought with him his wife Edna and two children, but also some Southern customs and speech. He will be employed as NCO IC Tels Section 224 Workshop RCEME. Robbie and his wife now reside at PMQ 293.

Brownie News Letter

The Brownie Penny Auction was successfully carried off and attended, Monday, January 20, at 7 p.m.

We now have a fund set up with \$120.00 realized from this function. This was our first endeavor and we have much to learn and improve upon. We are planning on holding a similar project each year as our Brownie money making effort in the Area, please remember us when you have discards and save these items for us.

This money has been set aside to help improve and add necessary items to the building that we hope will soon be established for us. The proposed building would also house the Guides, Scouts and Cubs.

There are six Brownie Packs and three Guide Companies in Griesbach and as of next year we will be very short of meeting places, we are hoping this will be remedied by September. The shortage of parent participation is hard to understand, we are hoping this will be remedied also by your support. There are over 200 girls in this District and we have not enough voluntary help from people willing to give time to keep these groups active, we would appreciate your help in any way.

Thank you for your support of our "Penny Auction" and in advance of your support of the movement.

"Penny Auction Committee"

P.P.C.L.I. DEPOT**Posted**

Sgt. M. J. Scott from 2 Bn to Depot until June. Welcome to the Depot.

New Arrivals

The following are posted to Depot for training duties:

2 Lt. W. Plouffe

Sgt. K. H. Kliewer

L/Cpl. V. K. Anderson

Cpl. W. R. Harris.

Courses

Sgt. N. G. Atchison returned from Rescue Training Instructors Course at Camp Borden.

New Platoon

Mount Sorrel Platoon started training 3rd February under the guidance of the New Arrivals shown above.

Passing Out Parade

Korea Platoon, 28 strong, graduated from Depot 20th February. The best recruit was Pte. R. E. Benson.

Leave

Depot Staff are currently finishing off the balance of 63-64 leave, included are:

RSM (WO 1) J. G. Austin

Sgt. A. Kirby

Pte. R. J. Pearson.

Miscellaneous

Changes of employment have occurred for the following Depot Staff:

Sgt. G. R. DeFaye to Wainwright Detachment

Sgt. H. E. Smith from Wainwright to Edmonton.

Ypres Platoon is now in Wainwright for the last phase of training.

Glad to hear Cpl. Reti won his fight in Calgary. Congratulations.

We understand that Cpl. Rohac is now living in his brand new home having vacated PMQs recently. Congratulations. Now you will know the joys (?) of being a taxpayer.

Special Notice

Cpl. R. Nadeau FINALLY made it to Wainwright after four and one half years. What harrened!

13 Company RCASC News

Gather round folks for details of the big "Treasure Hunt" contest. You know how treasure hunts work. All the contestants are given a list of items to beg, borrow or steal — an old left shoe, a piece of pink ribbon, a left handed monkey wrench, etc., etc., — and the first one who returns with the complete collection is the big winner.

The contest will work the same way except that this is the big NEW IMPROVED contest! Are you ready? Here's your list of items to collect:

1. A laundry soap or detergent that doesn't wash everything whiter and brighter than any other. (To save a run on the QM stores, we are disqualifying "Grandma's Lye Soap".)

2. A men's hair cream that doesn't make every man irresistible to the opposite sex. (No axle grease, please).

3. A tooth paste that doesn't do the same for both sexes.

4. A household scourer without "added cleaning power."

5. A floor wax that "turns floors yellow."

6. A headache remedy with less than three exclusive ingredients.

7. A ladies' hair spray that doesn't add extra or hidden body.

8. A short, strong cigarette.

9. A dry cake mix and

10. A soft drink for old people.

There you have it! Just send in your entries with a label from any product that can't be best advertised by a buxom belle in a bathing suit and wait for the prize list in the next issue. Prizes include an-all expense-paid one year tour in the beautiful Sinai Peninsula, a six-month holiday at exciting Alert Bay, and ten consolation prizes of one straight jacket each! Get your entries in early.
